*Instructions are the same for both the marker and brush pen.*

### STEP 1

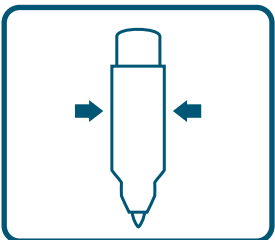

Unscrew the cap and fill with water. Do not overfill.

NOTE: To open, unscrew brush pen counter clockwise and marker clockwise.

### STEP 2

Screw the cap back on and make sure the entire pen is dry.

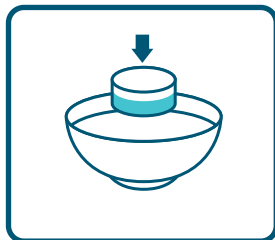

### STEP 3

Turn pen upside down and give the pen a squeeze to get the water to the drawing tip.

### STEP 5

Place the mat on a flat surface and let your creativity run wild!

### STEP 4

For the art sponges, dip the bottom in a bowl of water until it is damp. For best results, do not soak.

## HOW TO CARE

- In an effort to keep the mat as clean as possible:
- If there's any dust or debris, wipe the mat clean with a dry cloth before play.
  - Keep food and drinks away from mat.
  - Oh no! Got a stain? Spot clean by hand only. Use a damp rag, warm water, and a mild detergent such as dish soap. Avoid using color water to clean. Do not wash in a washing machine.
  - Only use the pens, markers, and sponges provided to ensure best results. Do not use markers, crayons, pencils, etc. on the Doodle Mat.

## HOW TO STORE

Is play time over? Ready to put it away?
